20" Crash cymbal  
20" China cymbal

**Roland TM-2 Trigger Module**  
**Roland RT-30K Kick trigger**  
**Roland RT-30HR Snare trigger**

## Sound

**Monitors:** 3x monitors in the front - left guitar to the right monitor and vice versa, both guitars into central monitor, we need samples to all please, drummer's monitor - only triggers

**Microphones:** the band has a total of 2 vocals, main microphone Sennheiser EW100-945 G3 own, second microphone please provide, ideally Shure SM58

**DI Box:** 1x stereo and 2x mono DI boxes needed (samples and both guitars), please provide both

## Fog

We have our own small sized fog machine. If there is an additional one, we will be happy to use it.

## Additional Equipment

**Banner:** we have our own banner sized 4x2 m. If it is not possible to use the banner but there is an LED screen available, we have an animated logo with other materials in a total length of 45 minutes, format .mp4, resolution 4K, size 5-6 GB.
